

We are the leading provider for concierge and marine agency services to the Superyacht industry in the Maldives. From the vessel's first entry point to Maldives, yachts cruising throughout the Maldives receive the highest quality maritime agency service 24 hours a day, 7 days a week.

Maldives Yacht Support has been providing the services and support to valued clients since 2009, making a name in the industry and receiving the trust and positive feedback of many clients through the success.

We do not only provide the service and support to Superyachts, but also play a major mantle in maritime service.

Our Commitment

MYS is committed to deliver a range of quality assured services from the initial stages of planning the yacht's stay until departure. MYS tailors each service to the individual needs of the clients, the handling of a single port call, or a last minute request to a concierge specialist. MYS depends on its team, their local knowledge and industry expertise to reach the highest standards of service. With a commitment to excellence, accountability and transparency, MYS strives to provide a premium value to all clients.

Our Mission

Our mission is to set the seal on maximum enjoyment and superiority time on the yacht for our clients, while we make sure ongoing processes do not upshot any obstacles. Our aim is to put forward a seamless service to guests visiting the Maldivian islands, from the very initial stages of planning to yacht's stay through the final departure.
